

SKILLS RECOGNITION APPLICATION – ADVANCED DIPLOMA OF TRANSPERSONAL ART THERAPY (Information and Application Form)

What is RPL / RCC or Skills Recognition?

Recognition of Prior Learning (RPL)/ Recognition of Current Competency (RCC) or Skills Recognition is a process whereby knowledge and skills you already have may be recognised, irrespective of where or how they were acquired.

Skills Recognition or RPL/RCC can apply to a wide range of skills, including those gained through employment, community involvement, formal study, informal training or life experience.

The maximum RPL/RCC/credit that can be awarded is 50% of an Ikon VET course.

Applications for RPL/RCC must be submitted PRIOR to enrolling in the course.

If you are granted RPL/RCC for a particular module/unit, you do not need to complete the module/unit and a pass is recorded on your Training Record in the same way as any other student enrolled in the unit. You may also be granted RPL for a part of a unit of competency, and speed up the process of demonstrating competence.

Why apply for RPL / RCC?

To reduce your program load and the overall learner devoted time.

To reduce costs associated with completing the course.

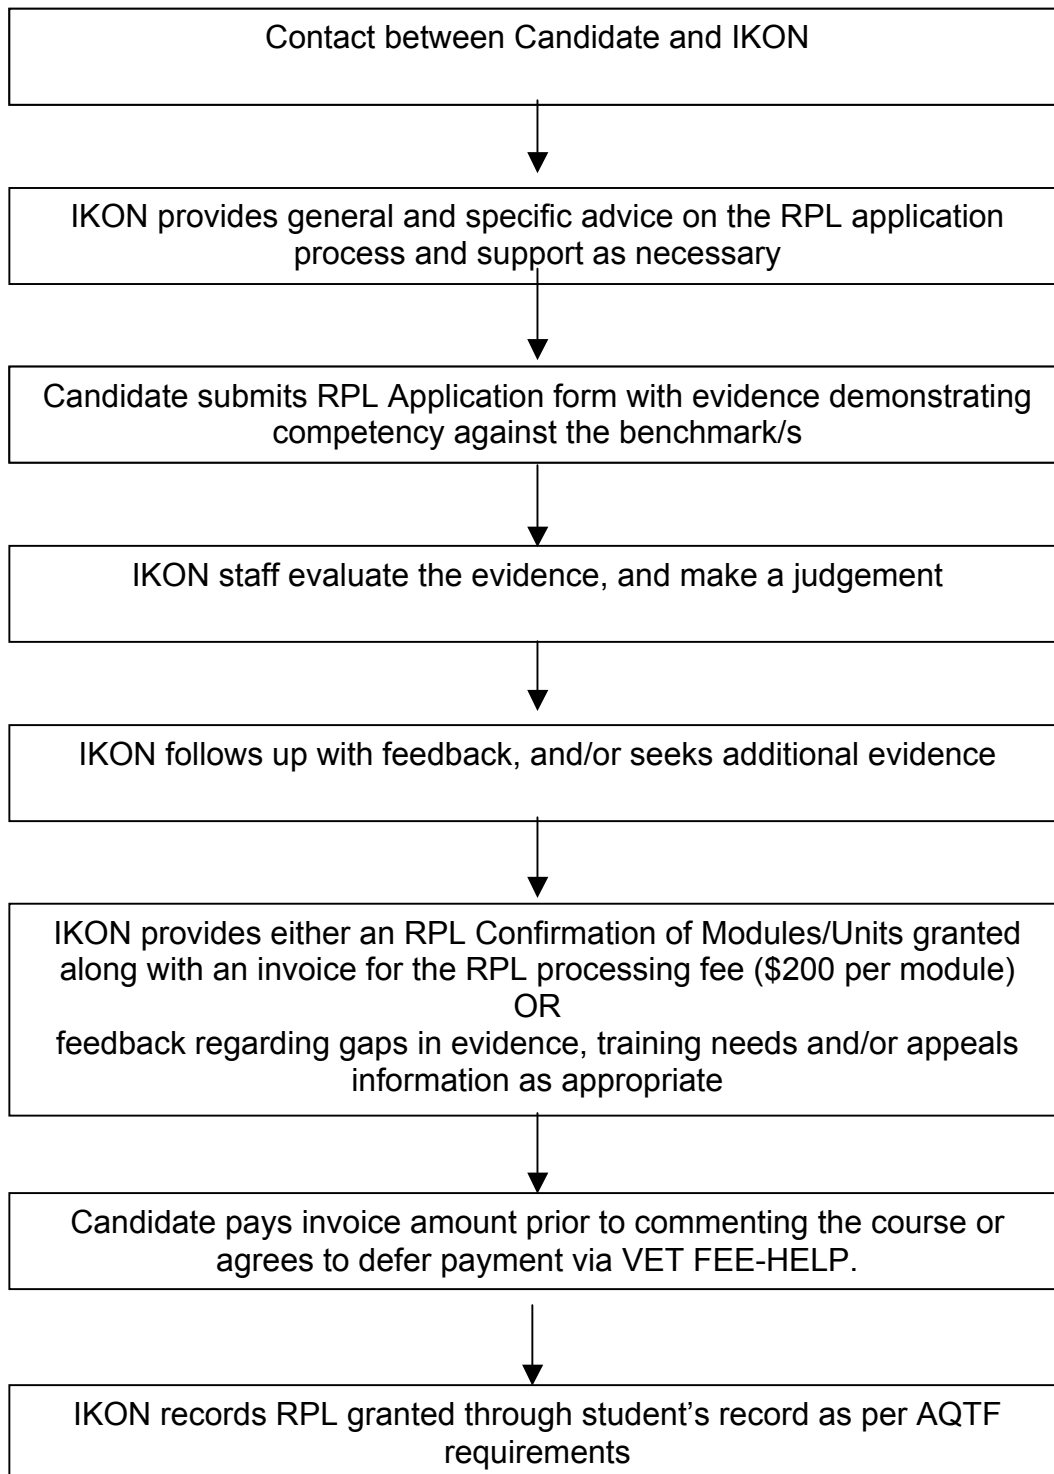

To avoid repeating learning in areas where you already have skills.

The RPL / RCC Process

The RPL / RCC process consists of the following stages:

1. Staff will provide you with information on how to make an RPL Application.
2. You complete the RPL Application form and submit it with supporting information.
3. Academic Staff trained in assessing RPL/RCC applications will assess your evidence. You may be required to attend an interview to discuss your application.
4. You are notified of the outcome of your application by email or post. If you have been granted RPL, your notification will include an invoice for \$200 per module.
5. The RPL charge of \$200 per module is paid to Ikon prior to commencing the course or deferred via VET FEE-HELP.
