How much is fear holding you back?

Fear is limiting and debilitating when allowed to manifest in our lives. Fear blocks us from expressing ourselves freely and following our dreams and goals. Fear can have a huge impact on our enjoyment of life and our relationships.

This workshop will help you understand what fear is, where fear comes from and how to turn your fears into strengths.

Learn simple, effective and practical techniques to
• recognise and release your fears
• change your relationship to fear
• unleash your inner self expression
• change your experiences for the better
• prevent you from sabotaging yourself
• renew your dreams and goals

To reserve your place please fill in the attached registration form.
