

Application for Recognition of Prior Learning & Credit Transfer DUAL DIPLOMAS OF YOUTH WORK AND YOUTH JUSTICE

What is Recognition of Prior Learning & Credit Transfer?

Recognition of Prior Learning (RPL) is a process whereby knowledge and skills you already have may be recognised, irrespective of where or how they were acquired. RPL can apply to a wide range of skills, including those gained through employment, community involvement, formal study, informal training or life experience.

Credit Transfer (CT) is a process that provides students with agreed and consistent credit outcomes for components of a qualification based on identified equivalence in content and learning outcomes between matched qualifications.

The maximum RPL/CT that can be awarded is two thirds of an Ikon VET course. Applications for RPL must be submitted as part of the application process for the course.

If you are granted RPL or CT for a particular module/unit, you do not attend that class, submit assignments or gain access to the online learning platform. A grade that correlates as a pass is recorded on your Training Record.

Why apply for RPL?

- To reduce your program load and the overall learner devoted time
- To avoid repeating learning in areas where you already have skills

The RPL Process

1. The application for RPL form as well as the RPL policy are available on the Ikon website
2. After you have applied and are accepted in to the course you can submit your RPL Application form with supporting documentation
3. You will receive an invoice for the modules you have applied for RPL
4. Once this has been paid, an Academic Staff member will assess your application against the evidence you have provided. You may be required to attend an interview to discuss your application
5. You are notified of the outcome of your application by email as part of the admission process

The Credit Transfer Process

1. The application for CT is available on the Ikon website
2. You complete the RPL/CT Application form and submit it with copies of your academic transcripts
3. Academic Staff trained in assessing CT applications will assess your academic transcripts
4. You are notified of the outcome of your application by email
